

Memories of Azusa High School

Name: Linda (Cyrilik) Blaney

Favorite song: many, but can't remember titles

Favorite subject: English what I majored in in college

Favorite teacher: Mr. Brown---I sat close to the front and watched the spittle on his lips go up and down as he talked. He was only with us occasionally

Favorite hangout: Denny's --french fries with catsup and ranch dressing

Favorite food: Mom's spaghetti and her homemade potato bread

Favorite school activity: Band-George was there!

Favorite summer activity: working at the public library; our summer evening band concerts

Favorite outfit: pink gathered skirt with pink blouse

First car: '50 Chevy---dirty green-called in "Scrooge"

First date: Jim -to the band beach party---we had to be home by 10, but the universal joint dropped out, and he had to hire someone to drive us home to keep my father from being mad!

First kiss: Jim

Christmas dance date: Jim

Senior prom date: Jim

Biggest crush: George

Biggest distraction: George

Fondest memory: being the French maid in our senior play "Our Hearts were Young and Gay"---and going with George to a gig his band played at

Funniest moment: when the boys teased Mr. Possley

Most embarrassing moment: at National City---Jim yelled out-"where's Cyrilik's room?"---and my father heard him---AND---the hotel had so graciously given me adjoining rooms with my parents!

Biggest accomplishment (personal): having a band uniform so small no one could ever wear it again!

Best summer vacation: spending time at my sister's
