Personal comments to 1961 classmates: FRIENDS ARE LIKE BALLOONS

Once you let them go you might never get them back. Sometimes we get so busy with our lives and problems we don't notice that some of them flew away. We forget what real friendship means until it's too late. Don't let those balloons get away. Life is too short. Keep in touch with your friends we don't know who will be here tomorrow nothing is promised. God bless you ALL!
