

Chuck Daly Biography

4508 El Reposo Drive
Los Angeles, CA 90065

Telephone #'s: Since I am pretty deaf, I don't use them much.
Email: ChuckerMao@aol.com

Married: Yes. To a non classmate: Jeannette Daly

Children: Yes. Son Age: 35 who lives back in NY with one cute grandson.

Favorite Interest in HS: Science and Math and wishing I were dating Elaine and Janice.

Favorite Movie: The Magnificent Seven

Favorite Books: Dummy books on almost anything interesting

Colleges and Degrees:

1966 University of Colorado -- BS Engineering Applied Math

1966 University of Colorado -- BS Business Management

1971 USC -- MS Quantitative Methods (Statistics)

1975 USC -- Post grad studies in Executive Leadership courses sponsored by Lockheed Corp.

Employment:

Out of college in 1966 I went to work with Lockheed in Burbank and had a great career with Lockheed for 25+ years.

Started out as a computer programmer on the ground floor of computer graphics field in 1966.

Did software development on Lockheed's CADAM computer engineering design and mfg products, which were eventually sold worldwide by IBM.

After about 7 years in software development I became supervisor of my development group.

After another 5 years as supervisor I became department manager of the development department.

After another couple of years as department manager I became Director of Software Development and Director of Operations for the then "spun off" Lockheed CADAM software development company.

Retired: Yes

Favorite Retirement Activities: Bridge and Poker along with car club events featuring a British Sport's car called a Sunbeam TIGER.

Current Retirement Interests: Bridge and Poker along with occasional golf outings to anchor my humility.

What surprises: Car Nut for this specific English Sunbeam Tiger sports car. I have done Concours and even a little racing over my 42 years owning and enjoying this vehicle and working with the Sunbeam Marque clubs. I was also on the Board of the Sci Fi and Fantasy Film Academy for many years and helped organize and manage their Saturn Award Shows.

Best Travel: Fiji, New Zealand, Australia and Alaska. Best place to go back to first: New Zealand's South Island

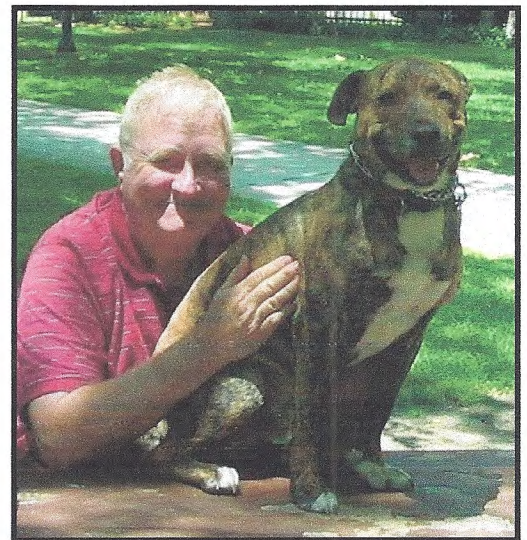

Community Events: Toys 4 Tots programs, Neighborhood Watch Captain

Awards: Table Tennis and Tennis Trophies from back when I was in playing form. University of Colorado 1966 "All School" Bridge Champ and bridge team captain. 15 minutes of fame beating 4 of my math professors. Special recognition for contributions to certain Lockheed Black Projects.

Future Plans: Travel, Bridge and Poker, along with continued Car Club community and fun events

Messages to Classmates: "Live Long and Prosper."
"Keep an eye out for Diabetes and avoid same at all cost."

Recent Picture of me and my best canine buddy:

Not so recent picture of "skinny" me with my Sunbeam TIGER.
