Favorite class: PE Favorite Movie: Raiders of the Lost Ark

Favorite Book: Gone with the Wind

Colleges Attended: Antelope Valley Community College in Lancaster, CA,
Grossmont Community College, San Diego, CA

Employment History: Currently retired, worked in several business jobs when younger, then worked for Bank of America for 15 years in San Diego, and later taught preschool for Cajon Valley School District, El Cajon, CA for 15 years.

Favorite Retirement Activities: When we're home I walk 4 miles a day, 4-5 days a week at Lake Murray. When we travel, we love to get in the RV and go across the country or into Nat'l Parks/Monuments and US cities of historic value or where we've never been before. We like to get together with friends and family. I like to keep in touch with folks I've worked with in the past and keep our AHS classmates communication going.

Plans for the future: We have a trip to Paris planned for April 2012. We would like to travel as long as we have the health to keep it up.

Personal comments to 1961 classmates:

Hello to you all! I remember so many folks and was so lucky to have grown up in Azusa from the time I was 6 years of age. Fate placed us together in the great new Azusa High School, we created many memories, made good friends and had opportunities for a great education!
