For three years the Aztec Band has been proudly led by their outstanding Drum Major, Jack Frye. In these past years he has either won first or placed highly as military drum major in every parade in which the Band has performed. Much responsibility has been placed on him and at times he has had to take over completely in the absence of Mr. Davis. Jack is to be commended for bringing laurels to himself as well as the band which he has so aptly guided.

knowing you

Have fun and  
be good.
