As most of you know, this past year was Azusa High's first experience with a foreign exchange student on campus.

Till Huhns resides with his mother, a physician, and his ten year old brother in West Berlin, Germany. This year he stayed with the Dr. Mulford family here in Azusa.

Till likes the way the school encourages social activities and he is very impressed by our student government. He candidly admits that he "likes the American girls," although there is a great difference between them and the German girls. "American girls" wear an excessive amount of makeup by German standards.

Till participated in many events while on the Azusa High campus. Among them were: track, Senior play, A.F.S., and our annual Christmas program.

The A.F.S. has sponsored Till this year and they are sending one of our students abroad next year. They are doing a wonderful job in their endeavor to create
