## VARSITY CROSS COUNTRY

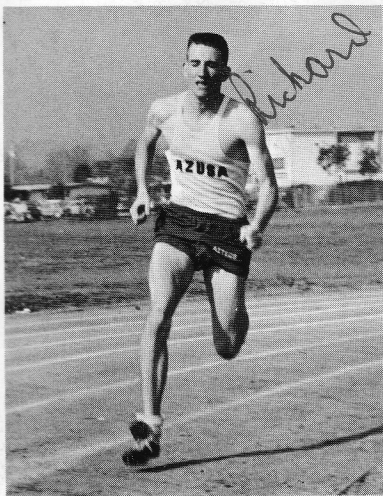

Our Varsity Cross Country team, coached by Athletic Director Bart Ahlf, had another tremendous season. Their record was 8—1, with their only league loss coming at the hands of Arroyo.

The Junior Varsity Cross Country team, also coached by Mr. Ahlf, emerged as Sierra League Champs, as they had a perfect 9—0 record. In these nine victories, they brought home *eight* perfect scores! To obtain a perfect score in Cross Country, your school must come in first with the first five places.

Azusa High's Track Team for 1960-61 was under the direction of two new coaches. Head coach Mr. John Lowry, and his assistant Mr. Charles Carter.

The Aztecs have many returning Lettermen, as well as many prospects from the incoming Freshmen, so they should have a very fine season.

## BEE

The Bees and the Cees are the men that are not big enough to make the Varsity, but this doesn't mean they don't try as hard. Under coach Lowry, and coach Carter, these men will be a great asset to the future Varsity Track teams at Azusa High School.
